

APEC Compliance Best Practice Workshop

Agenda

October 24, 2014

Beijing

Venue

China Academy of Building Research - Building B - Meeting Room 5, second floor
30 Beisanhuandonglu, Chaoyang District, Beijing, China, 100013

Target Participants

- APEC Economy Representatives
- APEC Economy MV&E Program Officers
- MV&E Programme Stakeholders (Manufacturers, importers, retailers, civil society)
- Other Regional Programme Designers, Interested Stakeholders, and Potential Collaborators

Objective of the Workshop

- Share compliance best practices among the APEC region and lessons learned from regional MV&E initiatives around the world (i.e. Europe)
- Determine what best practices that APEC Economies could consider adopting and incorporating to their national programs
- Present findings from a study on regional laboratory capacity and capabilities to support enhanced compliance activities.
- Introduce the concept of APEC MV&E Network - a regional approach to create a platform for APEC MV&E officers to meet and discuss ways to enhance MV&E activities in the APEC region
- Explore the potentials of having a multilateral or regional approach of MV&E collaborations among APEC Economies
- Have the APEC Economy representatives at the meeting broadly agree the way forward to improve MV&E collaborations

Proposed Agenda

9:00 - 10:00 Introduction

- Welcome, workshop objectives & roundtable introductions (*Terry Collins, EGEE&C Chair*)
- Safeguarding benefits of standards & labelling through MV&E: opportunities and challenges (*Nicole Kearney, CLASP*)
